

MST20616 Certificate II in Applied Fashion Design and Technology

This program provides an introductory overview of skills applied in the fashion industry. It includes skills used in the design and production of garments.

National or State Accreditation

National

Course Aims

This course provides students with an excellent introduction to fashion design and related industries, covering basic knowledge and skills in pattern making, garment design and garment construction for the creation of student's own items.

Contribution to VCAL/VCE

VCAL: One credit towards a VCAL learning program is awarded on successful completion of 90 nominal hours of accredited VET curriculum.

VCE: Students who complete this program may be eligible for recognition of two or more units at units 1 & 2 level and at units 3 & 4 sequence (if available).

ATAR: This program does not have a study score and therefore cannot contribute towards the student's primary four. Where a units 3 & 4 sequence is available and satisfactorily completed, it may be counted as a 5th or 6th subject and contribute towards their ATAR (10% of the lowest study score of the primary four).

Please note: The student must already have English and three other fully scored VCE/VET subjects to create the primary four.

Potential Pathways

- Advanced Diploma of Applied Fashion Design and Merchandising
- Bachelor of Applied Science - Fashion Technology
- Bachelor of Design (Fashion)

Potential Occupations

- Fashion design assistant
- Designer
- Textile operator

Additional Requirements/Information

Prior to commencement of this course students must undertake a Pre-training review and a Language, Literacy and Numeracy evaluation.

Occupational Health & Safety

Students are required to wear protective footwear and other protective items as required under OH&S legislation. More information will be provided at commencement of the program.

Commencement of program will be dependent on adequate student numbers for enrolment and funding.
Programs and units of competency are subject to change prior to commencement.

Cluster Provider

The Gordon Institute of TAFE
Training to be delivered in Ballarat

Registered Training Organisation

The Gordon Institute of TAFE

RTO Code

3044

Program Length

2 years

Day and Time

1st year – Thursday 1.45pm to 5.30pm

2nd year – Tuesday 1.45pm to 5.30pm

Program Material Costs (approximate only)

1st year – \$450

2nd year – TBA

Structured Workplace Learning

Strongly recommended – 80 hrs minimum over total program

Outcomes

Satisfactory completion of this two-year program entitles the student to a Certificate II in Applied Fashion Design and Technology

Enrolment Type

VES

1st year Units of Competency

MSTGN2009	Operate computing technology in a TCF workplace
MSMWH5200	Work safely
MSS402051	Apply quality standards
MSTCL2011	Draw and interpret a basic sketch
MSTFD2006	Use a sewing machine for fashion design
MSMSUP106	Work in a team

2nd year Units of Competency

MSTFD2005	Identify design process for fashion designs
MSMENV272	Participate in environmentally sustainable work practices
MSTCL2010	Modify patterns to create basic style
MSTTX1001	Produce a simple textile fabric or product
MSTCL2019	Sew components, complex task
MSTFD2001	Design and produce simple garments
MSTCL1001	Produce a simple garment
