

HLT33015

Certificate III in Allied Health Assistance (partial completion)

2022

This VET Program is designed for students pursuing a career in the health industry, offering pathways into both entry level employment and further education in VET or at University.

COURSE AIMS

Students will develop skills and knowledge applicable to a variety of health fields. They can explore options available within health environments and learn about professions such as physiotherapy, speech pathology, occupational therapy and dietetics.

CONTRIBUTION TO VCAL/VCE

VCAL: One credit towards a VCAL learning program is awarded on successful completion of 90 nominal hours of accredited VET curriculum.

VCE: Students who complete this Program may be eligible for recognition of two or more units at units 1 & 2 level and a units 3 & 4 sequence.

ATAR: Students wishing to receive an ATAR contribution for the Units 3 and 4 sequence must undertake scored assessment for the purposes of gaining a study score. This study score can contribute directly to the primary four or as a fifth or sixth study.

Where a student elects not to receive a study score for VCE VET Health, no contribution to the ATAR will be available.

Please note: The student must already have English and three other fully scored VCE/VET subjects to create the primary four.
