Certificate II in Building & Construction (Carpentry) Pre-apprenticeship (partial completion) 2022

13

This VET Program provides students with the knowledge and skills to enhance their employment prospects in the building and construction 'carpentry' industry.

COURSE AIMS

Students will develop carpentry skills including carrying out measurements and calculations, constructing basic frames, the safe handling of plant and power tools and quality principles for the building industry.

CONTRIBUTION TO VCAL/VCE

VCAL: One credit towards a VCAL learning program is awarded on successful completion of 90 nominal hours of accredited VET curriculum.

VCE: Students who complete this Program may be eligible for recognition of two or more units at units 1 & 2 level and at units 3 & 4 sequence (if available).

ATAR: This Program does not have a study score and therefore cannot contribute towards the student's primary four. Where a units 3 & 4 sequence is available and satisfactorily completed, it may be counted as a 5th or 6th subject and contribute towards their ATAR (10% of the lowest study score of the primary four).

Please note: The student must already have English and three other fully scored VCE/VET subjects to create the primary four.
