

ICT30118 Certificate III in Information, Digital Media and Technology

2022

This VET Program is designed for students who wish to enter the information technology industry. Through this Program students can follow several pathways to further education and employment.

COURSE AIMS

P-TECH is a global education model that offers students all over the world the opportunity to develop skills and competencies that will translate directly to competitive technology careers. IBM Ballarat is proud to partner with Federation University to bring P-TECH to Ballarat, embedding industry into the classroom.

CONTRIBUTION TO VCAL/VCE

VCAL: One credit towards a VCAL learning program is awarded on successful completion of 90 nominal hours of accredited VET curriculum.

VCE: Students who complete this Program may be eligible for recognition of two or more units at units 1 & 2 level and a units 3 & 4 sequence.

ATAR: Students wishing to receive an ATAR contribution for the Units 3 and 4 sequence must undertake scored assessment for the purposes of gaining a study score. This study score can contribute directly to the primary four or as a fifth or sixth study. Where a student elects not to receive a study score for VCE VET Information, Digital Media and Technology, no contribution to the ATAR will be available.

Please note: The student must already have English and three other fully scored VCE/VET subjects to create the primary four.
