

**This program provides an introductory overview of skills applied in the fashion industry. It includes skills used in the design and production of garments.**

**COURSE AIMS**

This course provides students with an excellent introduction to fashion design and related industries, covering basic knowledge and skills in pattern making, garment design and garment construction for the creation of students own items.

**CONTRIBUTION TO VCAL/VCE**

**VCAL:** One credit towards a VCAL learning program is awarded on successful completion of 90 nominal hours of accredited VET curriculum.

**VCE:** Students who complete this program may be eligible for recognition of two or more units at units 1 & 2 level and at units 3 & 4 sequence (if available).

**ATAR:** This program does not have a study score and therefore cannot contribute towards the student’s primary four. Where a units 3 & 4 sequence is available and satisfactorily completed, it may be counted as a 5th or 6th subject and contribute towards their ATAR (10% of the lowest study score of the primary four).

*Please note: The student must already have English and three other fully scored VCE/VET subjects to create the primary four.*
