

# Opening the Door into Construction

Platinum Institute Australia would like to open their doors to students for a walk through of their training facility.

## **What they offer:**

- Practical training in Building & Construction Cert II and III
- The skills and insight to make a successful career in the domestic and commercial construction industry
- A pathway into real jobs post training.

**Age:** All year levels welcome

**When:** Monday, Tuesday, Thursday or Friday by appointment

**Cost:** Free of charge for school and students

**Transport:** Must provide own transport
