

# NextGen Tradies Try-a-trade

Students will have the opportunity to **build a mini house** with us at Platinum Institute Australia's trades training facility in Delacombe.

- Destroying gender stereotypes
- Promoting inclusion and reducing stigma
- Hands-on skill building
- Enticing women into non-traditional trades
- Encouraging a sense of achievement
- Realising interests & career aspirations

*Constructing the future: young women from local schools wield the tools of the trade.*

Students will experience hands-on skills, as if on a real construction site. Try the different trades needed to build a house, from constructing the frame, installing the weatherboards and painting the final house.

IN PARTNERSHIP WITH

## YEAR LEVEL

Years 10–12

## DURATION / DAYS

Full day - Wednesdays

## COST

FREE

## STUDENT NUMBERS

Min. 15

Max. 20
