What you get

Upon successful completion of the program, students are eligible to obtain:

School recognition

Credit/Unit eligibility towards your relevant Senior Secondary Certificate.
Check with your school for more details.

Workplace recognition

Statement of Attainment
(List of the Units of Competency which have been successfully completed)

Your possible career/pathway

Apprenticeship. This program is delivered next to where apprentices learn. This gives our students the opportunity to watch and chat with apprentices. This may help students decide if a plumbing apprenticeship is the correct pathway for them.

Learn more

Certificate III in Plumbing CPC32420 (Apprenticeship)
Six specialist streams: Water, Sanitary, Drainage, Mechanical services, Roofing and Gas services.

Employment

You may choose to work for a major construction company, for a boutique building group or even for yourself one day.

Possible job titles include: plumber, gas fitter, roof plumber

Many students start up their own businesses and complete the cycle by becoming employers themselves.

What the program looks/sounds like

Watch a **Get VET** video of a student explaining the program, by accessing <https://bit.ly/2BmGp9s>

Note: Program commencement subject to enrolment numbers. Units of Competency are subject to change. Check with your school VET Coordinator regarding costs and if this program is suitable for you. This training is delivered with Victorian and Commonwealth Government funding to eligible individuals. All details are accurate at the time of publication.
