

Community Services

CHC32015 CERTIFICATE III IN COMMUNITY SERVICES

What it is

This program attracts students who love working with and helping people

Students have the opportunity to learn about the community services sector and explore different areas in this field of work. Work may include day-to-day support of individuals in community settings or support the implementation of specific community-based programs.

Skills will be developed in communication, working with diversity, workplace health and safety, time management, self-care and responding to client needs and crisis situations.
