

Little Hampton Farm School Tour

Join us for a hands-on pizza-making session, where you can roll up your sleeves and create your very own pizza using fresh, farm-grown ingredients. After crafting your masterpiece, sit down with the owners of Little Hampton Farm for a leisurely lunch in the heart of the farm's picturesque surroundings.

Once you have completed your meal, you will be guided on a tour of the farm's diverse landscape. You will learn about the various crops Little Hampton grows and the efforts they put into sustainable farming practices. It's a chance to gain insight into a career in food production and understand the vital role that local farms play in your community.
